March 2026

Personal Note

Shalom from Las Vegas! We are praising the Lord this year for some great family news. Our eldest daughter Stephanie is pregnant! She just turned 29, and we are waiting for our very first grandchild. It's very exciting, so please pray for her, the baby, and her husband, Michael.

Sadie and Esther

We were introduced to "Sadie" by one of our believing friends. Sadie was an unsaved Jewish elderly lady from New York City. We talked with her on the phone and learned that she was destitute. Once she got the news of her terminal cancer, she said many of her longtime friends and Jewish friends gave up on her. We visited her and tried to share the Good News, but it did not go so well. She was more concerned about sharing her heart about all the tragedies in her life. We started taking her to Beth Yeshua for services, and the Lord began working on her heart. She immediately noticed a big difference between our Messianic Community and her Jewish one. They wanted her to give money just for receiving a prayer, and we only wanted to help her and share God's love for her through Yeshua. It was a wonderfully combined effort, and Sadie finally believed in Yeshua. She even had a visit from a Catholic neighbor who tried to convert her to Catholicism, and she replied, "No thanks, I'm keeping my Jesus!" Can you imagine that? At first, she was a diehard opponent of Yeshua, and now she's using Jesus' name in love! The picture shows her in the hospital and Rich performing *tevilah*. *Tevilah* is

the Hebrew word for water baptism. Rich had to perform it in the hospital by sprinkling, since we were not too sure of how long she was going to live. She was in a lot of pain at the time of this picture. But she was a trooper and was very happy with her baptism! Right now, she still has the will to live. And the Lord did not give up on her! He is not ready to call her home, so we are praying for her healing and God's blessing on her life.

Esther is a young Jewish gal who has also started attending Beth Yeshua. She grew up in a church but never became born again. She was very interested in learning about her Jewish roots and the Jewish Jesus! Her Jewish boyfriend was already a believer and is now returning to follow the Lord Yeshua. What a wonderful, divine setup for sharing the Good News of Yeshua! After attending services for a few months, Esther gave her heart to the Lord. The picture on the next page shows her and her boyfriend getting baptized. What a great joy to baptize them together! We are hoping and praying for wedding bells later this year.

Please pray for the sanctification of these two Jewish ladies. This is the very reason why you support us as ministry representatives! To help Jewish and Gentile people not only get saved but get disciplined as well. Please keep up the good work in helping to keep us in God's field! *Todah* (thanks)!

UNLV Outreach

This is our 26th year on campus preaching the Good News message of Jesus! We just started our Spring outreach on campus. Thus far, we've been very blessed with a total of 15 salvations. Oanh has led every one of them to the Lord! The Lord continues to bless her with this evangelism gift, where the students are so open to talking with her. It truly is a blessing of the Lord. We have another volunteer this semester. Marcia has been attending Beth Yeshua for about a year and was saved and baptized through our ministry. She has grown in the Lord a lot and now is evangelizing with us at UNLV and elsewhere. She has a natural talent for speaking with people, so she has no fear in evangelism! This, too, is such a great blessing of the Lord. The last picture is Oanh speaking to a student with the help of our maltipoo, Angel. Many students want to meet Angel and pet her, which gives us the ability to share Jesus with them!

Simcha (Joy) Dancers

Oanh's dance team ministered at a local rehab center twice since our last newsletter. Both times, she had a captivated audience enjoying the Messianic Jewish music and Davidic dancing. Oanh led 2 people to the Lord, one of whom was a worker at the facility!

Purim & Passover

We just recently celebrated Purim and had a blast booing Haman and cheering our heroes, Mordecai and Esther. This year, we saw an amazing connection between Haman and Iran's Ayatollah Khamenei. Both were Persian, both wanted to completely destroy all Jewish people, and both died in their evil pursuit according to Gen. 12:3!

Our Passover Seder is set for April 4, 2026! If you would like to attend, please contact us ASAP! If you can't attend, please pray for us and for unsaved Jewish and Gentile people to attend and be saved. *Todah* again!
www.bethyeshualv.org

Salvation Update

Since our last *newsletter*, **61** people (including **2** Jewish individuals) received Jesus as their Lord and Savior through our ministry. In almost 26 years of ministry in Las Vegas as CJFM reps, we have led a total of **1,870** souls (including **94** Jewish people) to the Lord. We praise the Lord for using us to His Glory!

Please Pray for . . .

- More churches and individuals to partner with us.
- God to continue to open more doors for our outreaches: *Beth Yeshua*, UNLV, the Malls, the parks, speaking in churches, referrals, and the dance team in convalescent homes.
- God to open the door for our own place to worship in the Summerlin, NV area.

Thanks from the Hills

You are greatly appreciated! Without your prayers and financial support, we would be unable to continue as missionaries to the 80,000 Jewish people living in Las Vegas. We praise God for you, and thank you for your love and commitment.

If our ministry has blessed you, then please consider joining us as consistent financial partners. We need your help! Thank you, and may the Lord *continue* to bless you with His promise: *I will bless those who bless you* (Gen. 12:3).

As the Lord leads, please use the enclosed envelope and send all future financial gifts *preferenced* for **Richard and Oanh Hill** to:
