To Whom It May Concern:

I am writing to HIGHLY RECOMMEND Diann Parkas as a gifted choreographer, dancer, and worship dance coordinator whose ministry beautifully blends artistic excellence with a deep heart for Messiah Jesus. Whether leading workshops, clinics, or congregational dance, Diann creates an atmosphere where participants are inspired, equipped, and encouraged to worship the Lord in spirit and in truth. Her choreography is not only technically skillful but also rich in biblical meaning, drawing from the Jewish roots of our faith and expressing them in ways that engage both heart and soul. With grace, sensitivity, and a contagious joy, Diann invites people of all ages and backgrounds to experience the unity, beauty, and power of dance in Messianic worship.

For several years, Diann has invested herself in the Messianic dance program at Camp Shoshanah. Her contributions have brought a tasteful dramatic flair to both our youth and adult programs. Her presence has been like having our own artist in residence, and we look forward to her return each year.

In multiple ways, Diann Parkas has shown herself to be a self-starter, a team player, an effective communicator, and an encourager of others. I believe these qualities will benefit all those who interact with her in other dance programs. Please contact me if I can be of further assistance in highly recommending her services.

Sincerely,

Tim M. Sigler, Ph.D.
