Letter of Recommendation
Diann Parkas, CJF Ministries

To Whom It May Concern:

Messiah Congregation was blessed to host Diann Parkas on October 16, 2021 for our Shabbat morning service.

Diann shared a timely message with us: From Wounded to Wow. Needless to say, during this season when so many are facing trials, this message spoke to the hearts of all present. Her willingness to share the root of her deepest pain, and the victory she has experienced by faith in Messiah, was refreshing and inspirational.

To open her presentation, she shared a beautiful and stirring choreographed dance. The music and her movement opened people's hearts for what they were about to receive in word.

Diann's ministry draws on her many gifts, her relaxed and welcoming demeanor, and her heart to share Messiah Yeshua/Jesus.

With all that said, I offer my recommendation of Diann Parkas for your consideration. I believe that your congregation will be blessed mightily.

Should you require anything further, kindly contact me directly.

Shalom;

Rabbi Justin D. Elwell, Th.D.
