Personal Note

Shalom from Las Vegas! We have wonderful news to share. Our daughter, Stephanie, has given birth to our grandbaby, Mercy! She's a healthy 6 lbs. and 8 oz. baby, now learning how to live. We are so thankful to the Lord that mom and baby are very healthy and healing nicely. Please pray for Mercy's salvation at a young age and for God's blessings upon Michael and Stephanie as they learn to be godly, wonderful parents. Also, please pray for us, as this is our first grandbaby! We are praising the Lord in Las Vegas!

We are so thankful the summer is over! It was a grueling hot one, with temperatures hitting 115° a few weeks in a row! It's so hot that when it drops down to 90°, and we have a little wind, it actually starts to feel cool! When summer gets this hot, we try to keep cool and evangelize either inside or in the evening. So we hit the malls and parks sharing Yeshua with Jewish and Gentile people.

Park and Mall Outreach

Although we have shared with many Jewish people this last quarter, none have prayed with us to receive Yeshua. However, many Gentiles are coming to the Lord through our ministry. The first picture shows a very happy young lady, Gabrielle, who just received the Lord. And she did it one week after we led her friend to the Lord at the same mall! As we walked through the mall and stopped at kiosks, we shared Jesus with the salespeople. We actually went back to the mall to bring a Bible to her friend who got saved the week earlier, but she wasn't at the kiosk. So we shared Jesus with Gabrielle, and she was ready to place her trust in Him. You can see how happy she is about getting saved!

The next picture shows Oanh sharing Yeshua with a family of five at the park we like to visit. This park has a Farmer's Market which attracts a lot of people, including Jewish people. Oanh shared the Gospel with

the whole family and prayed individually with four of them for salvation. It was truly amazing to be a part of! Please pray for these six people who got saved to grow in the Lord.

Fall Feasts

We have just finished celebrating all the Fall Feasts of the Lord. It is a wonderful time of celebrating but also of presenting Yeshua to the Jewish people. He is the ultimate fulfillment of all the Feasts that God shared with Israel. Yom Teruah (Feast of Trumpets) is the fifth feast on the calendar. It has a two-part fulfillment. The first is the rapture of the church. At the last shofar blast, all believers will be raptured into the sky to meet the Lord in the clouds. I hope you are looking forward to that day because we are, too! The second fulfillment prepares the Jewish people for seven years of Jacob's trouble. Toward the end of the tribulation period, all Israel will be saved (Rom. 11:26). This is the fulfillment of Yom Kippur. Zechariah 12:10 reveals the Jewish people finally receiving the Holy Spirit by believing in Yeshua. Then all Israel and all believers will enter into the Messianic Kingdom and celebrate Jesus as our King during the Feast of Tabernacles. What a joyous time this will be in the future! And we shall be there worshiping the Lord in our resurrection bodies, living as Kings and Priests!

Assisted Living Outreach

Oanh's dance team ministers at assisted living and rehab centers. But they have not been able to do so since our last newsletter. So Oanh has taken the liberty of visiting the center and sharing Jesus with those who live there. We know an unsaved Jewish lady who lives there, so that was our reason to visit. Oanh has met other attendees and led a few ladies to the Lord. She also tends to some of their physical needs. It is a blessed ministry because the folks there are starving for help and, more importantly, spiritual help! Please pray for the Lord to bless this ministry and the needs of the attendees.

UNLV Outreach

We started our 27th year on campus preaching Jesus to the students of UNLV. The Lord is continuing to bless us with this outreach. We have already led 19 students to the Lord! They are hungry for the truth about God, and we are happy to provide the “food” for their thought! The last two pictures show Rich leading “Jaden” to the Lord. He was so happy to get saved. You can see it in his smiling face! Oanh also led this gentle giant to the Lord. He was just ready to receive Jesus. We are finding that more and more students are just ready to receive Jesus ever since the COVID-19 pandemic hit the world. Oanh also led a Muslim young lady to the Lord. Rich talked with a Muslim young man who openly told him that he rejected Allah and his family’s religion — Islam. But he was not ready to believe in Jesus, although his friend had a dream about Jesus. Many Iranians are dreaming about Jesus and getting saved. Please pray for this young man.

Israel is the Wife of the Lord

You can buy Rich’s latest book, *Israel is the Wife of the Lord*, at our online bookstore (<https://store.cjfm.org>). This book identifies Israel’s historical and prophetic relationship with the Lord God (Yahweh the Father). Please pray for God’s blessing on this book and all who read it.

Salvation Update

Since our last issue of Rich’s Reporter, **39** people have received Jesus as their Lord and Savior through our ministry. In 26 and a half years of ministry in Las Vegas as CJFM representatives, we have led **1,951** souls (including **94** Jewish people) to the Lord. We praise the Lord for using us to His Glory!

Please Pray for...

- More churches and individuals to partner with us.
- God to continue to open more doors for our outreaches: Beth Yeshua, UNLV, the Malls, the parks, speaking in churches, referrals, and the dance team in convalescent homes.
- God to open the door for our own place to worship in the Summerlin, Nevada, area.

Thanks from the Hills

You are greatly appreciated! Without your prayers and financial support, we would be unable to continue as missionaries to the 80,000 Jewish people living in Las Vegas. We praise God for you, and thank you for your love and commitment.

If our ministry has blessed you, please consider joining us as a consistent financial partner. We need your help!

Thank you, and may the Lord continue to bless you with His promise: *I will bless those who bless you* (Gen. 12:3).

As the Lord leads, please use the enclosed envelope and send all future financial gifts preferenced for Richard and Oanh Hill to:
